# ALL EVENTS ENDORSED BY PSG

Over the years, **Parent Support Group** has consistently stood as a steadfast pillar of support for our teachers and school community. Their presence is not just an extra set of hands, it is the embodiment of partnership, commitment, and shared vision. We are deeply humbled and honored to walk this journey of progress alongside them.

**Volunteering** is a noble act, especially for parents who manage numerous responsibilities at home while still finding the time to make significant contributions to our school. True care lies in the selfless act of giving time, and our PSG members exemplify this through their unwavering dedication.

# BOARD OF PSG

CHAIRPERSON

Denise

**Why I joined PSG:**

I want to share the joy of learning (through fun & games, and learning journeys), and show children that learning never stops regardless of age.

**Favourite quote:**

"It is important that our children understand humility, that they appreciate how their parents have worked very hard to create this life for the family and that they, too, have a responsibility to work hard, be respectful and never, ever take anything for granted." *Victoria Beckham*

VICE CHAIRPERSON

Mardiana

**Why I joined PSG:**

I wanted to join PSG for the opportunity to be closer to my child and understand her better when she tells me stories of school, and to connect with other parents, share experiences, and gain support. To see the smiles on the children's faces is everything!

**Favourite quote:**

"What doesn't kill you makes you stronger."  
I like this quote because it is an affirmation of resilience and that overcoming challenges can lead to personal growth. Keep going and never give up!

VICE CHAIRPERSON

Yani Nor

**Why I joined PSG:**

My decision to join PSG was driven by a sincere desire to contribute meaningfully to the school community and to be actively involved in activities and events organised by the school, creating a nurturing and enriching environment for all students. Through PSG, I am able to support various initiatives and shared purpose within the school.

**Favourite quote:**

Together, we can make a difference. Work for a cause, not for applause. Live life to express, not to impress. "We care for unconditional love."

SECRETARY

Sharon

**Why I joined PSG:**

Joining PSG (since 2019) has given me the opportunity to stay meaningfully connected to the school environment while actively supporting my child's educational journey. Connecting with fellow parents has not only enriched my perspective but also strengthened my commitment to continuous learning, growth, and service.

**Favourite quote:**

When you truly have the passion to help, you'll always find ways to stay connected, no matter where you are because the desire to learn and grow never really ends.

CREATIVE COORDINATOR

Silvy

**Why I joined PSG:**

I want to be a PSG member so I can build a stronger school-home partnership.

**Favourite quote:**

Try your best, to be the best among the best.

TREASURER

Nirenu

**Why I joined PSG:**

I joined PSG to actively contribute to my child's school community, support school initiatives and collaborate with teachers and fellow parents. I believe in fostering a positive learning environment and want to play a role in enhancing students' overall educational experience and well-being.

**Favourite quote:**

"Do or Die" by Mahatma Gandhi. One must succeed no matter what, even if the alternative is complete failure.

RECESS COORDINATOR

Joan

**Why I joined PSG:**

Joining PSG has been one of the best choices I've made as a parent. It keeps me connected with the school, teachers, and fellow parents — and most of all, seeing my child's proud smile when they see me at school makes it all worth it.

**Favourite quote:**

Be present, be patient, and lead with love — because they're only little once.

LEVEL REP

Yean Ping

**Why I joined PSG:**

I want to support my children as much as I can. By joining PSG, I get to learn more about their school, how they do things, what the role of a PV is, and most importantly, I want to be a good role model for my children as I participate in school activities. They feel proud to see their mom in school too!

**Favourite quote:**

Being a parent can be tough, but just remember that in your child's eyes, nobody does it better than you!

EXCO MEMBER

Akshatha

**Why I joined PSG:**

For me, volunteering at NSPS isn't just about being part of my child's learning journey — it is also a meaningful way to give back, support other children, and build stronger connections within the school community.

**Favourite quote:**

"While we try to teach our children all about life, our children teach us what life is all about."  
*Angela Schwindt*

ALUMNI

Nella

**Why I joined PSG:**

Supporting the school (since 2014) is my way of showing gratitude, and helping build a nurturing second home not only for my children, but for all students. I joined PSG EXCO because I believe the school is every parent's partner in raising our children — not just in academics, but in shaping values, confidence, and character.

**Favourite quote:**

It takes a village to raise a child; a strong partnership between parents and school helps children thrive.
